

Bird Spikes

LEDGE BIRD SPIKES CASE STUDY

BENEFITS

- Stops Perching
- Reduces Birds Flying Around
- Prevents Flocks from Congregating
- Reduces Bird Droppings

SUMMARY

The goal of this job was to exclude pest birds from perching on building ledges as well as from having a place to land when in the vicinity of the building.

AviAway installed bird spikes on the ledges surrounding the building, preventing birds from landing on them and staying in the area.

AVIAWAY

AviAway is a full-service bird control installation company. Call us today at 844-247-3373 to set up a free bird control consultation.
